Assignment #5

CFG Assignment

Make a CFG Grammar for the dialog discussed in class. You can unzip the file and try out the CoffeeASR executable with the Coffee.xml file. NB: you may need to setup ASR (Control Panel > Speech) on your system if you are having problems. Please submit a zipped folder with the CoffeeASR executable and the new Coffee.xml file (please put your name of the folder).

Due: 02/09/12

Dialog to be recognized:

Please
[give, get]
me a
[tall, large, venti]
[coffee, coffee of the day, mocha, latte, americano]
with foam

indicates optional phrase
